ABRAPELIN/1 Finances FYs 1955-56

References: As mentioned in Para 4 below

1. Forwarded under separate cover as attachment A is ABRAPELIN/1's statement concerning his financial situation during Fiscal Years 1955-56. Comments on various figures are contained in the report.

2. Separate cover attachment B is a letter to ABRAPELIN/1 from World Council of Churches (WCC) which indicates that Subject's financial aid from that organization was increased from RM 200.00 to RM 350.00 as of 1 January 1956. ABRAPELIN/1 fines payment from WCC in his accounting as RM 327.00, the amount he actually receives after deductions.

3. Separate cover attachment C is a statement from a furniture store to ABRAPELIN/1, dated 15 December 1955, stipulating terms of payment (as reflected in Attachment A).

4. We can find no comment from Headquarters concerning MEMO-15609, dated 7 January 1956, which requests approval to reimburse ABRAPELIN/1 for hospital expenses in the sum of RM 340.00. It is noted that ABRAPELIN/1 now fines his expenses in conjunction with his illness as RM 1,900.00. He states that he carries no personal health or hospitalization insurance. Should Headquarters allow for full or partial reimbursement on this figure (noting that no commitment along this line was made to ABRAPELIN/1; see MEMO-17825, dated 15 November 1955), MEM suggests that this sum be placed in his state-side escrow fund and, for control purposes, ABRAPELIN/1 will be told that he cannot touch this money until he has emigrated to the United States.

5. ABRAPELIN/1 comments that, in attachment A, he has not included monetary gifts which he received from KUBARK during the past two years. He recalls having received circa RM 200.00 from KUBARK during Christmas 1955.
